

Faith Community Church

Kingdom Pledge

We are citizens of the Kingdom of God. We are committed as a body ministry to witness a mindset of righteousness. Kingdom citizens connect to the power source that strengthens our continued walk in salvation. We are called to make a difference in the world and a distinction in the church. The attitude of a Kingdom citizen is victorious, trained to stay in our lane, to stay the course put before us. We are ambassadors of the Kingdom of God with authority to influence others to become Kingdom citizens also.
